Open House:
Every Wednesday: 10:30AM - 8:00PM

Available For Events:
Every day except Wednesday year 'round.

The Conservatory provides a private glasshouse tropical garden setting for weddings. Located in the quaint Historic District of St. Charles along the Missouri River, The Conservatory has a wonderful ambiance—garden weddings any time of the year!

Seasonal plant & flower displays are always featured inside the tropical greenhouse and the surrounding outdoor gardens are flushed with color during the garden seasons. A fairy tale place for an especially memorable wedding.

An unusual and exotic atmosphere, The Conservatory is out of the ordinary and therefore a few special considerations are worth a mention. It is a setting that is similar to being outdoors but provides weather protection. The Conservatory is heated and may be reserved throughout the winter months; in fact, the tropical setting is particularly appealing in contrast to winter weather. The Conservatory is also air-conditioned for summer comfort. Think of it as an outdoor garden event...that is not outdoors!

The Conservatory provides everything needed for set-up and decorations. Candelabras, fresh flowers and accessory selections are available. We are happy to help you coordinate every detail.

Private parking is available for the wedding party and family. Ample free guest parking is available in lots to the north, west and east; free street parking is available the length of South Main Street.

Please make an appointment to let us show you our slideshow and give you a tour! We have an open house every Wednesday until 8:00PM.

Check our website at gardenwedding.com for photos and current calendars of availability. 🍀

Full Session Schedules

Session One: 10:00^{AM}-12:00^{PM}

Session Two: 2:00^{PM}-4:00^{PM}
